

BLACK JACK LIMB-CHIPPING PROGRAM

The annual spring limb-chipping program will follow these guidelines:

- Limbs must be 4 inches in diameter or less
- Length of limbs must be 6 feet or less
- Limbs must be placed at the curb (at the edge of your yard next to the street).
City employees are not permitted to go onto private property
- Limbs should be neatly piled with the cut edge next to the street

THE FOLLOWING WILL NOT BE PICKED UP:

- **Limbs only-Trees will not be picked up**
- **Limbs NOT from the property being picked up**
- **Any commercially cut limbs or tree branches**
- **Yard waste bags**
- **Trash, thorny materials, plants, leaves, and grass**
- **Wood with nails or wire/metal fence mixed in pile**
- **Unorganized piles of limbs**
- **Root balls and/or stumps**
- **Shrubs**
- **Limbs that are too large or cumbersome to be handled by one person**
- **Limbs that are too large to go through the chipper**
- **Old railroad ties (with creosote oil) or landscaped timber**
- **Limbs too small**

**REMEMBER!!! YOUR STREET WILL BE PICKED UP ONE TIME ONLY-
THERE WILL BE NO EXCEPTIONS!**

NOTE:

City employees **will not** pick through brush piles, separating acceptable from unacceptable materials.
