

How to Recycle: Valentine's Edition

We're all about love for the environment this Valentine's Day!

Chocolate Boxes

If the box isn't dirty, recycle. If it is, throw it out with the rest of the candy wrappers.

Candy Wrappers

Eat up those heart candies, then toss the wrappers in the trash.

Musical Cards

Electronic cards contain batteries. Remove the batteries before tossing them into the trash.

Check with your city or visit RepublicServices.com for more information about battery recycling.

Envelopes

Sealed with a kiss and some Blue Planet love for easy recycling.

Paper Cards

Hang them on your refrigerator for display or toss them into the recycling cart.

Flowers

Enjoy your flowers for a week or two. When they start to wilt, place them in your compost bin or trash cart.

Visit RecyclingSimplified.com for more information about recycling.
